

## DEMO CONSULTATION (VOD)

Great for people...who want to develop or upgrade their demo CD/MP3.

### Purpose:

Get advice on how to record a great Demo. This is for people who are ready to record and get started in the world of voiceovers. Also open to past participants of the Voice Over and Broadcasting Course and other experienced performers who need some production and marketing advice and the recording facilities to put down a great demo.

What you will learn:

- How to organise your material for brilliant results.
- How to improve your voice tracks.
- How to prepare a list of who to see and where to go.
- Learn how to speed up or slow down, and how to use inflections and pauses to make what you say more interesting.
- How to improve your diction and pronunciation.
- How to market your demo.
- And much, MUCH more!
